

**Newman's Bakery & Castle Tour**  
**504 E. Main**  
**Bellville, TX. 77418**  
**979 865 9804**

Over the last year Newman's Castle has become the hottest new thing around. Hundreds of tourists have walked the drawbridge across the moat, poured over the grounds, climbed the keep, admired the handy work and visited the chapel. The Harris County Precinct Buses have weekly brought different groups to tour the castle and enjoy a wonderful lunch.

**How does it work?**

Groups of ten or more are welcomed. Please, call ahead of time to make reservations. The tour and the lunch are \$ 12.50 per person. We ask you to call again a day or two before the actual trip date to confirm the final head count. This way we will know how many lunches to prepare.

**The day of the tour**

On the day of the tour, plan to get to Bellville and arrive at Newman's Bakery around 10:30 or 11:00. Newman's Bakery is located in the heart of Bellville, close to the historical square. A guide will join you to escort you out to the castle, approximately five miles out in the country. The tour and lunch will last about 1 1/2 to 2 hours.

**After visiting the Castle**

After visiting the castle, the tour bus can bring you back into Bellville where there are many other things to see and to do. Below I have included a few phone numbers to call for additional information. After your tour around town, allow me to suggest that you stop back by my bakery, Newman's Bakery, for a final rest stop. Let me also add that we have quite a few good sweets to indulge in and take home.

**Thanks,**

**Mike Newman**

**Add. Info:** Helen Alexander 979 865 3530, who is with the local historical society can get on your bus and give you a guided tour around town, stopping at several places of interest. The Bellville square has quite a few antique shops.

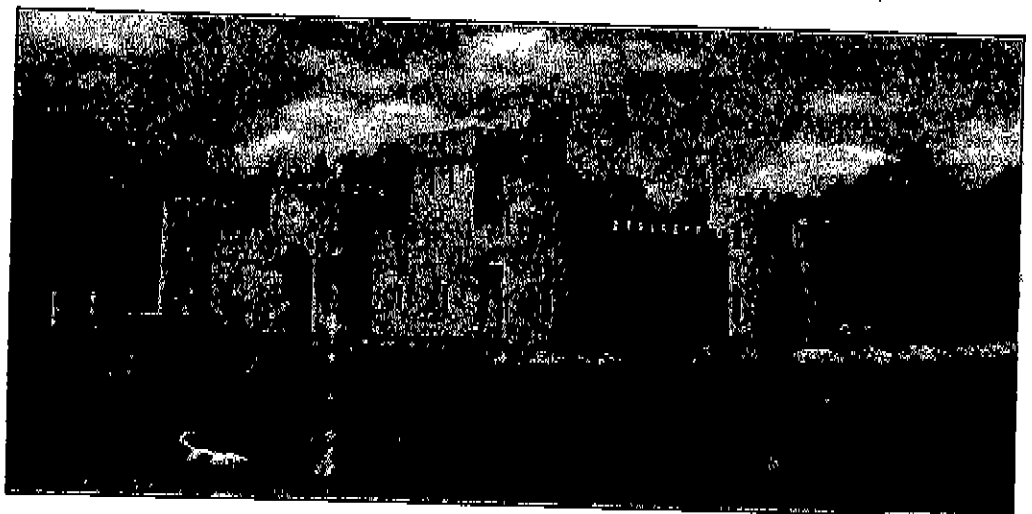

I also recommend:

The Bellville Meat Market  
979 865 5782 is renowned for  
their excellent sausages.

The Bellville Chamber
